

USI: UNIQUE STUDENT IDENTIFIER

USI: What is it?

Essentially, a Unique Student Identifier is a way of making all your recognised Australian training available in one place. It will be easier for you to prove you have completed training, gain recognition of prior learning, and you can control who accesses your records and when.

Read more here: <http://www.usi.gov.au/About/Pages/default.aspx>

When should you create your USI?

We encourage you to create your USI as soon as enroll with Chambers Institute, and provide it to us as soon as you can. For most students, the process will only take 5-10 minutes. If you do not know how to create it yourself, we can help you to create it on behalf of you.

How do you provide your USI to us?

When you have created your USI (details of how to do that below), please notify us via email at info@chambers.vic.edu.au.

How do you create one?

Follow the simple steps here:

<http://www.usi.gov.au/create-your-USI/Pages/default.aspx>

What happens if you do not provide us with your USI?

Since it is a legal requirement for all RTOs, we need to ensure that all our students provide one. You will also not be able to graduate until you have provided a USI.
